

## Book "Trees and Shrubs of the Sahel" - PDF free download (French and English versions)

*Trees and Shrubs of the Sahel - Their characteristics and uses*

*Arbres et arbustes du Sahel - Leurs caractéristiques et leurs utilisations*

by **Hans-Jürgen von Maydell**

These books are no longer published and the French version is very difficult to find, but we have obtained from *Margraf Publishers* the kind permission to distribute it freely.

So we had it scanned and you can now download it as a PDF.

We are also allowed to spread the English version, which *Margraf Publishers* has kindly provided us with.

We have chosen to distribute these books under the "**CC BY-NC-ND 3.0 France**<sup>[1]</sup> " **Creative Commons license : "Attribution - NonCommercial - NoDerivatives"**.

UNDER THESE CONDITIONS, EVERYONE CAN FREELY DOWNLOAD THE 2 VERSIONS OF THE BOOK :

? *Arbres et arbustes du Sahel - Leurs caractéristiques et leurs utilisations* <sup>[2]</sup>, de **H.-J. von Maydell** (48,2 Mo)

? *Trees and Shrubs of the Sahel - Their characteristics and uses* <sup>[3]</sup>, by **H.-J. von Maydell** (91,6 Mo)

We advise you to download both versions, because their contents are not exactly identical, in particular the precious appendixes...

**We also advise you :**

- the book "*Trees, Shrubs and Lianas of West African Dry Zones*" by Michel Arbonnier (CIRAD, France, [www.quae.com](http://www.quae.com)<sup>[4]</sup>)
- the graphical tool for the identification of Sahelian ligneous flora : "*Woody Species of the Sahel*" (361 native or introduced species) (CD) by Pierre Bonnet, Pierre Grard and Michel Arbonnier (CIRAD, France, [ur-forets-societes.cirad.fr/en](http://ur-forets-societes.cirad.fr/en))
- the books and publications by *ANAMED* about natural medicine in the tropics ([anamed.org](http://anamed.org), and [www.anamed-edition.com](http://www.anamed-edition.com)<sup>[5]</sup>).

-----
